There was once a time when darkness shrouded the world, and the darkness had a queen.

Adelina Amouteru is done suffering. Sheâ€™s turned her back on those who have betrayed her and achieved the ultimate revenge: victory. Her reign as the White Wolf has been a triumphant one, but with each conquest her cruelty only grows. The darkness within her has begun to spiral out of control, threatening to destroy all sheâ€™s gained.

When a new danger appears, Adelinaâ€™s forced to revisit old wounds, putting not only herself at risk, but every Elite. In order to preserve her empire, Adelina and her Roses must join the Daggers on a perilous questâ€”though this uneasy alliance may prove to be the real danger.
