5) Little Women by 'Louisa May Alcott' Book Description
Meg, Jo, Amy, and Beth--four "little women" enduring hardships and enjoying adventures in Civil War New England.
The charming story of the March sisters, Little Women has been adored for generations. Readers have rooted for Laurie in his pursuit of Jo's hand, cried over little Beth's untimely death, and dreamed of traveling through Europe with old Aunt March and Amy. Aspiring writers have found inspiration in Jo's devotion to her writing. In this simple, enthralling tale, Louisa May Alcott has created four of American literature's most beloved women. In her enlightening, thoughtful introduction, Elaine Showalter discusses Louisa May Alcott's influences and her aspirations for Little Women, as well as the impact the novel has had on such women writers as Joyce Carol Oates and Cynthia Ozick.
